

EU DECLARATION OF CONFORMITY

Apollo Flowmeters is the designer, manufacturer and distributor of a range of Flow Meters for in line mounting within pipelines. These comprise of a flanged, screwed or wafer body mounted such that the flow within the pipeline can be measured using appropriate electronic instrumentation.

All our flow meters up to and including a nominal size of 25mm are classified as SEP Sound Engineering Practice under Article 4 Section 3 (Annex II Table 6) of the Pressure Equipment Directive 2014/68/EU. Under the directive they should not be CE marked.
